

Vicente Centuri3n, known as VINZ, is a DJ and producer from Buenos Aires, Argentina. A key member of Pryma Records and co-founder of Dialektica Records.

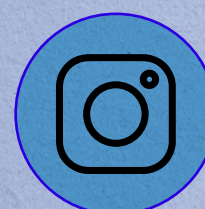

Trained in music production from a young age, he has made his mark at prominent clubs and events such as Feuer, Frequenz Collective, Island Beats, Niceto Club, and more. With both vinyl and digital releases on labels like 22 Recordings, Interdance, Unearthed Records, Strain, and 2612, his work reflects great versatility.

Passionate about vinyl and heavily influenced by the '90s and 2000s, his sound explores a wide range—from House to Techno, including New Beat, Synth Wave, Breaks, Electro, Trance, Acid, and beyond. Always in search of innovation on the dance floor.

# TECHNICAL RIDER

## 2 MONITORS

High-quality monitors, located to the side and at shoulder height (not behind or on the floor).  
The volume must be controllable from the booth.

## 2 PIONEER CDJ

Nexus 3000 or 2000.

## SUBLOW

At least 15”

## MIXER

Allen & Heath Xone 92 or 96 or Rotary

## 2 TURNTABLES

Technics 1200s, calibrated and in good condition.  
Protected from any movement on the turntable and vibration that could cause feedback. Pop-up lights working.

## RECORDS

There must be enough space around the booth to support a record bag (35x40cm)
